

ALTRINCHAM GRAMMAR SCHOOL FOR BOYS

ADMISSIONS POLICY 2011

1. Policy and numbers

The number of intended admissions for the year commencing 1st September 2011 will be 168 at age 11. Under age applicants will not be considered. Boys who attain the required standard in the prescribed arrangements for selection by reference to ability and aptitude will be eligible to be considered for admission to the School.

These arrangements require that, in order to be eligible for consideration for admission to the School, prospective boys must have been assessed as suitable under the following admission criteria:

- 1.1 Altrincham Grammar School for Boys will use tests papers designed by GL Assessment (formerly National Federation of Educational Research -NFER) or similar appropriate tests.
- 1.2 Arrangements to take the admission tests will be announced in the local press each year and the tests themselves will be taken in the Autumn term at the school.
- 1.3 Parents will be asked to register their wish for their son to take the admission tests no later than three weeks prior to the date of the of the Entrance Examination. Details of the admission arrangements will be sent in the Spring/Summer term to the Head teachers of all Primary Schools in the WA14 and WA15 postal districts and to the Head teachers of all other schools, which have sent applicants to Altrincham Grammar School for Boys in recent years.

An Open Evening and Parent Information Evenings for prospective parents will be held during the Summer term to advise them on the admission procedure.

- 1.4 The tests will consist of GL Assessment (NFER) - Verbal Reasoning, Non-Verbal Reasoning and Mathematics papers. Additionally candidates will take an internally set English paper, which will test their ability to write accurately in continuous prose. (This will be used as part of the review procedure.)
- 1.5 The test scores will be age-standardised by GL Assessment (formerly NFER). The results will then be placed in one of three groups:

Group A:	Candidates who achieve a qualifying score as determined by the Governing Body after consultation with NFER.	Qualified for Admission subject to over-subscription criteria	See para. 2 below
Group B:	Candidates who achieve a score within 20 marks of the qualifying score of 334.	Right of review by the Review Panel	See para. 1.6
Group C:	Candidates who do not achieve a qualifying score.	Not qualified for admission	see para. 4.

- 1.6 Parents should be aware that although Altrincham Grammar School for Boys will inform them of their child's assessment results mid-October 2010, allocations to this school will not be published until March 2011 by Trafford Local Authority on behalf of the Governing Body of the school.

Success in the Altrincham Grammar School selection procedure will not mean your child automatically receives a place at this school.

2.0 Internal Review

Right of Review: All candidates who fall within Group B will have their test result reviewed by an internal Review Panel, which will consist of the Head Master, the Head of Lower School and an independent teacher with recent primary school experience. Candidates for whom a Special Circumstances Form has been submitted will also have their result reviewed. The Review Panel will take account of the following:

- a) The test scores achieved by the candidate.
- b) The standard of the English paper completed by the candidate.
A teacher of English at the School will mark this paper.
The prose will be banded into one of three categories: recommended, borderline or not recommended.
- c) Written submissions from the Head Teacher of the candidate's Primary School regarding the candidate's academic ability.
- d) Any written information received from the candidate's Parent(s)/Guardian(s) about special circumstances which may have affected their son's performance in the entrance examination.

Those candidates whom the Review Panel deem to have qualified for admission pursuant to the review process will be transferred to Group A and their score amended to the qualifying score of 334R.
