sportswear international

sportswear • uniforms • teamwear

Sportswear International has specialised in sourcing top quality, branded sports products for a variety of International Sports brands for over ten years.

Using this vast experience we are now able to offer branded quality Sportswear and uniform to Students in schools.

All our garments are designed specifically to endure all school day activities and each product offers exceptional value when compared to the prices of other branded products.

You are able to order at any time of the year. There is free delivery on a weekly basis to your school during term time or home delivery with a small charge.

At Sportswear International we are serious about school uniform.

Blazer

The Blazer is made from 100% woven polyester with a Teflon coating that helps reduce staining. The style has a vented back and an inside zip pocket. The style is smart, robust and machine washable. It is supplied with the school crest pre-embroidered on the pocket.
