Dear Parent and Carer

Here at AGSB we have a very strong tradition of excellence in Music and there are many ways in which your son can get involved. Details of this are available on our website at www.agsb.co.uk/extra-curricular/music-club/.

As part of the Music Curriculum at AGSB, every student in Year 7 and 8 will have the opportunity to play a musical instrument as part of their normal class Music lesson. Students who already play a band or orchestral instrument to a competent standard are placed in the class ensemble to learn pieces that are more challenging. Students with basic or no prior experience will be placed into either the Concert Band or Orchestra programme. Allocation to ensemble and instrument is dependent on timetable placement, instrument availability and careful consideration from our Music staff.

We also run a wide range of Ensembles, full details of which can be found on our website at the address mentioned above, which also includes an online application form for individual lessons and a registration form for joining one of the ensembles. Please note that this is a separate provision from the classroom lessons.

Completed application forms should be submitted online to school before September.

Wishing you every success at AGSB for September.

Yours faithfully

M Monument
