Head Master: Mr G A Wright M.A. (Hons) FRSA**July 2026**

Dear Parent/Carer

Design & Technology – F24 Greenpower Challenge, Aintree.

The Greenpower extracurricular team your child has been part of this academic year is continuing to develop and refine their F24 car in preparation for upcoming race events. As part of this process, students have the opportunity to take part in a dedicated test track day to trial improvements, collect performance data and further develop their engineering skills in a real-world environment.

The F24 Greenpower Challenge race day will take place on **Wednesday 16th September** at Aintree Motor Circuit.

Students will meet at school at **7:15am** and will travel by minibus to Aintree. We expect to return to school at approximately **5:00pm**.

Cost

The total cost of the trip is **£8:00**. This is for the cost of travel to and from school. Students will need to bring a packed lunch, drinks and snacks with them.

We wish to make it clear that if the visit takes place, no student will be denied participation on the grounds that no contribution has been made on their behalf. However, please be aware, if insufficient contributions are made, we will be unable to proceed with the trip. Full details about Pupil Premium and/or Bursary support for trips can be found here: [Pupil Premium/Bursary](#)

Application process

Please can you now click on this link [Day Trip Application Form](#) and complete the online Consent Form and arrange to make the payment of £8.00 via ParentPay to secure your child's place on the trip. **Our Finance Department are in the process of adding the item to your account, please give them a little time to complete the transaction.**

Deadline for your online consent form and the payment is by 9am on Friday 10th July 2026, at the latest.

Additional information

Please ensure that students wear appropriate clothing for outdoor activities and weather conditions on the day. Further details will be provided closer to the trip date.

If you would like any further information, please do not hesitate to contact me at school.

Yours faithfully

Clare Lightowler

Design & Technology Department
