March 2026

Dear Parent/Carer

Design & Technology – F24 Greenpower Challenge, Mallory Park Test Track Day

The Greenpower extracurricular team your child has been part of this academic year is continuing to develop and refine their F24 car in preparation for upcoming race events. As part of this process, students have the opportunity to take part in a dedicated test track day to trial improvements, collect performance data and further develop their engineering skills in a real-world environment.

The F24 Greenpower Challenge test track day will take place on **Wednesday 25th March** at Mallory Park.

Students will meet at school at **7:45am** and will travel by minibus to Mallory Park. We expect to return to school at approximately **5:00pm**.

Cost

The total cost of the trip is **£15.00**. This is for the cost of travel to and from school. Students will need to bring a packed lunch, drinks and snacks with them.

We wish to make it clear that if the visit takes place, no student will be denied participation on the grounds that no contribution has been made on their behalf. However, please be aware, if insufficient contributions are made, we will be unable to proceed with the trip. Full details about Pupil Premium and/or Bursary support for trips can be found [here](#).

Application process

Please can you now click on this link [Day Trip Application Form](#) and complete the online Consent Form and arrange to make the payment of £15.00 via ParentPay to secure your child's place on the trip. **Our Finance Department are in the process of adding the item to your account, please give them a little time to complete the transaction.**

The deadline to complete BOTH actions above is by 9am on 13 / 03 / 26 at the latest, earlier if possible. Unfortunately, if we do not receive the above by the deadline date, we may have to withdraw your child's place so that it can be offered to the next person on the waiting list.

Additional information

Please ensure that students wear appropriate clothing for outdoor activities and weather conditions on the day. Further details will be provided closer to the trip date.

If you would like any further information, please do not hesitate to contact me at school.

Yours faithfully

Clare Lightowler

Design & Technology Department
