November 2023

Dear Parent/Carer

Trip to Bragg Centre, University of Leeds, Tuesday 5th December

After a successful research project designing DNA structures and carrying out the practical activity. Your son has been invited to take the DNA samples they have manipulated to the Bragg Centre to see analysed in the Atomic Force Microscope. Your son and two other pupils have agreed to doing this on Tuesday 5 December 2023. I will drive my car and transport the three pupils along with Ms Welsby to Leeds. We will leave at 8:00am on Tuesday morning. We intend to leave Leeds at the latest 1:00pm to ensure that we arrive back at school before the end of the day. Your son will be free to make their way home at that time.

This trip has no cost for the pupils.

Application process

To apply for this trip, please can you now complete the [Day Trip Application Form](#).

Additional information

Please read our new terms and conditions sheet attached which contains **important information** regarding medical, passports, EHIC/GHIC requirements and Covid compliance etc.

If you would like any further information, please do not hesitate to contact me at school.

Yours faithfully

Simone Blaize
