### ALTRINCHAM GRAMMAR SCHOOL FOR BOYS (“AGSB”)

#### Fund Raising – A Coordinated Approach

AGSB is a leading state funded selective Grammar school rated Outstanding by Ofsted in October 2022. Our school embraces education in its broadest sense, encouraging excellence across the board and helping to prepare our pupils to be self-confident and well-rounded individuals. Sadly, like so many other schools we are facing significant financial challenges. We are working hard to ensure that the AGBS Experience- the thing that makes this school so special to our pupils- is not threatened. But to do this, **we need your help!**

#### Altrincham Grammar School Developments Ltd (“AGSD”)

AGSD is an independent charitable organisation, and our sole purpose is to raise funds for AGBS. We have been crucial in providing capital funds for all major building works since 1998. Most critically, AGSD has provided “matched funding” opportunities when capital projects that are funded by the DfE or Local Authority require an initial financial contribution from sources external to the school before they can be realised. Recent major projects that have benefited from AGSD funding include the new Teaching Complex, the Physics Centre, and The Grammar sports facility and all-weather pitch. Financial support from AGSD since 1998 has enabled £10 million of investment in the School.

#### AGSB School Fund

The School fund helps to cover the costs of extracurricular activities and other day to day expenses. This includes the running costs of the school minibuses used to transport pupils to events and fixtures, the School magazine and general support of the extracurricular programme. All pupils benefit greatly from this fund in their daily school lives.

#### How you can help!

Every donation makes a difference, and we hope that you will join us in supporting the School.

For just £1 day (£30-month) you will be contributing £360 annually to the fund. With Gift Aid we can collect a further 25% and your donation becomes £450 a year. If families and carers of all 210 pupils of our 2023 cohort were to sign up this would give the fund an annual income of £94 000 from a single year group alone! Contributions of any size are warmly welcomed and will make a valuable difference to school life now and the years ahead.
