## WELCOME FROM THE HEAD MASTER

I am delighted to welcome you to the recruitment area for Altrincham Grammar School for Boys, one of the top performing boys' schools in the country.

Founded in 1912, the school is rated "Outstanding" by Ofsted and secures some of the best examination results at GCSE and A Level in the country. Almost all students progress to university with many attending the best Russell Group Universities including Oxford, Cambridge and many others.

We tailor our curriculum to ensure students are nurtured as well-rounded individuals, excelling in core subjects like Mathematics, English and the Sciences but who are also deeply knowledgeable about the Arts and Humanities.

Knowledge, however, is only one component of success. At this school we aim to equip our students with the range of skills to succeed in a rapidly changing world. All students are offered a wide-ranging programme of extra-curricular activities and enrichment that hone essential character traits such as leadership, resilience, moral purpose, integrity and honesty.

AGSB is a great place to work and I look forward to receiving your application.

Yours sincerely

G.A. Wright  
Head Master

An investment of £4M in improved sports facilities has been completed and all School employees benefit from free use of the facilities.

There are exciting times ahead at AGSB. In September 2020, the School moved from six to seven-form entry. In December 2020, work was completed on a state of the art £2.8 million teaching complex which is located in the heart of the School.
