Dear Parent/Guardian/Sportsman,

Welcome back to a new and exciting year of sports at AGSB. The last few years have been some of the most successful in AGSB's sporting history. This is no small part thanks to the commitment of the pupils and the support of their families. With success, comes associated costs and the last few years have been particularly expensive with respect to improving facilities, transport, equipment and coaching. With this in mind we write to request a voluntary payment contribution of £35 for sportsmen in our major team sports. This payment grants the pupil membership to the 'Sports Club Membership Scheme 2017/18'.

N.B. Due to the 'cashless' policy of the school, the £35 this year will have to be transferred online through 'ParentPay'. Please only make one £35 contribution even if your son plays more than one sport – if your son does more than one sport, they will be randomly allocated to one of the sports they participate in. Affiliation to the Sports Club membership scheme allows pupils to choose one of the following Sports Club Membership gifts on a first come first served basis; Sports Socks (all year 7's will have to choose sports socks and these are the socks should be worn for sports fixtures), AGSB Water-bottle, Woolly hat, AGSB draw string bag or an AGSB embroidered gym towel.

In the past this sports club membership has proved invaluable in ensuring the sports teams have access to funding for transport, irrespective of success and how far they progress through competitions. This additional fundraising has also provided essential equipment, sportswear, referees/officials, competition entry fees, NGB affiliations, refreshments/catering at fixtures and improved facilities.

We at Altrincham Grammar School are very proud of the sporting provision and opportunities available to the pupils. With this additional fundraising it should alleviate the pressure upon the school and the PE departments budget, especially in these times of austerity handed down by the government.

Thank you for your continued involvement and support for sport at AGSB, our sporting reputation continues to grow and this is in no small part to the fantastic parental support of your sons sporting endeavours. We thank you in advance for your kind generosity and ask you to **log onto ParentPay and pay £35 by the 21st December 2017**. Please then **print off your receipt and bring it to the PE office to retrieve your gift**.

Your contribution is greatly appreciated and is integral to the sporting opportunities, provision and success we offer and enjoy at AGSB.

Yours Faithfully,

Mr M Soulsby,
Head of PE.
AGSB.

Thank you very much in advance.
