1st October 2018

Dear Parent

Re – SMART Spaces Revision Programme

Please find attached an information letter for Parents/Carers and also an information letter for Students in relation to the SMART Spaces Revision Programme.

This programme is aimed at students studying the double award science GCSE.

In May this year the General Data Protection Regulation (GDPR) came into effect. Under GDPR, parents will now decide whether or not to opt in to their sons' data being processed. There are exceptions to this rule, such as when such processing is in the public interest or to the public's benefit. In such cases, parents are asked to opt out, rather than opt in.

If you do not wish for your son to participate in the programme please would you complete the slip and return it to Helen Armstrong in the school office by Monday 8th October.

Kind regards

Dr S Squire
