12th November 2018

Dear Parents

Year 7 Parent and Student Consultation Evening

I would like to invite you to the Parent and Student Consultation Evening for Year 7 taking place on Thursday 29th November from 5.00pm to 7.30pm. During the evening you will be able to discuss your son's progress with his subject teachers. We will be holding the Consultation Evening in **The Grammar Sports Hall. All students should attend with their parents and should wear School uniform.**

The evening will be run on an appointment system. Over the next few weeks your son should make appointments with each of his subject teachers **using the sheet on page 112 of his planner to record the appointments.** You should be able to make appointments with all of his teachers unless any of the teachers teach more than one group. These teachers may reserve their appointments for those boys whose work is causing concern in some way. Mrs Short, Head of Year, will be available throughout the evening if you have any queries that a subject teacher may not be able to help you with.

Please be aware that the evening will end at 7.30pm so please make every effort to stick to the five minutes allotted for each appointment.

In the interests of security, and out of concern for our neighbours, I would strongly advise parents to either park in the North End car park which is opposite the Bowdon Hotel or enter the site by the Heath Road gate and park in the yard behind the School. Heath Road is situated between the railway line and the Cheshire Midland Hotel in Hale. Please do not park in the Bowdon Hotel car park which is reserved for its patrons, in addition, please avoid parking in The Grammar car park as this needs to be made available to users of the astro turf pitch and gym during the evening.

I would be grateful if you would indicate if you are attending the Consultation Evening by completing the top section of page 112 your son's planner and asking your son to show this page to his Form Tutor by 23rd November.

Yours sincerely

Mr G. A. Wright
Head Master
