

Dear Parents/Guardians

The Sixth Form Team would like to remind you that should your family circumstances meet the criteria, there is a 16-19 Bursary fund available to support your son during his time at AGSB.

The students are aware of this bursary but it is possible that they do not mention this at home for a range of reasons. You will find the criteria for eligibility and the application forms on the Sixth Form section of our web site. If you are unsure about how to proceed or have any concerns about how the bursary can be used do not hesitate to contact me for further advice.

Kind regards

Mrs Harvey-Voyce  
Deputy Head of Sixth Form
